

From: Jim Davis; RSO

Subject: Reliability and Trustworthiness of Applied irradiator user

To request use of irradiators here at LSUHSC, according to the new increased security controls by the Department of Environmental Quality of Louisiana for large radioactive sources, background information must be retrieved and reviewed by your department on the reliability and trustworthiness of this individual.

The required information is needed below, (Note* there are different requirements for individuals with less than three (3) years experience here at LSUHSC)

More than three years

Social Security Number check
Previous employment
Educational degree (highest level achieved)

Less than three years

Social Security Number check
Previous employment
Educational degree (highest level achieved)
Personnel references check

Have Human Resources validate this information and forward back to me.
(See form on next page)

Thank you,

James J. Davis

Radiation Safety Officer
