QUESTIONS

The word "QUESTIONS" is written in large, bold, white, sans-serif capital letters with a subtle drop shadow. It is centered and surrounded by a vibrant, multi-colored collage of question marks and geometric shapes. The shapes include circles, squares, and triangles in various colors such as blue, yellow, red, green, purple, and pink. The question marks are also in various colors and sizes, some overlapping the letters and the other shapes, creating a sense of depth and complexity.
