STATE OF LOUISIANA

As part of our audit of the Louisiana State University System’s financial statements for the year ended June 30, 2008, we considered the Louisiana State University Health Sciences Center - New Orleans’ internal control over financial reporting; we examined evidence supporting certain accounts and balances material to the System’s financial statements; and we tested the center’s compliance with laws and regulations that could have a direct and material effect on the System’s financial statements as required by Government Auditing Standards. In addition, we considered the Louisiana State University Health Sciences Center - New Orleans’ internal control over compliance with requirements that could have a direct and material effect on a major federal program, as defined in the Single Audit of the State of Louisiana, and we tested the center’s compliance with laws and regulations that could have a direct and material effect on the major federal programs as required by U.S. Office of Management and Budget Circular A-133.

The financial information provided to the Louisiana State University System by the Louisiana State University Health Sciences Center - New Orleans is not audited or reviewed by us, and, accordingly, we do not express an opinion on that financial information. The center’s accounts are an integral part of the Louisiana State University System’s financial statements, upon which the Louisiana Legislative Auditor expresses opinions.

In our prior management letter on the Louisiana State University Health Sciences Center - New Orleans for the year ended June 30, 2007, we reported findings relating to unlocated movable property, weaknesses in internal control over payroll, and noncompliance with LaCarte purchasing card policies. These findings have been resolved by management.

Based on the application of the procedures referred to previously, we found no matters that required disclosure in this management letter or in the Single Audit of the State of Louisiana.
This letter is intended for the information and use of the center and its management, others within the center, the Louisiana State University System, the Louisiana State University Board of Supervisors, and the Louisiana Legislature and is not intended to be, and should not be, used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this letter is a public document, and it has been distributed to appropriate public officials.

Respectfully submitted,

Steve J. Theriot, CPA
Legislative Auditor
