House Officer Parking Registration

The information on this page summarizes the online parking registration process. Should additional guidance be needed, more detail page by page screen shots follow.

Register online by entering our Online Parking Account site with your LSUHSC credentials (username and password). Use the following link and click Log in. https://lsuhscnolaparking.t2hosted.com/cmnp/index.aspx

Since you will already be credentialed with the University, select Affiliated Login. Enter your University Login ID (Username) and Password. Select Purchase Permits/Gate Cards and options will be listed. If you are a current LSU Medical Student and already own a parking gate card, you do not need to purchase another gate card. Otherwise, you will add a parking gate card to the basket then return to add the relevant parking permit fee. The monthly permit fee amount ($18.34) for House Officers is shown so select the permit decal option based upon how the parking fee will be paid. Payroll deduct requires submission of the signed parking deduct forms and will be deducted based upon pay schedule. Payment direct will add the full annual amount to the cart for a credit card transaction. Department Internal Payment indicates that your Department has advised you and Parking Services that it will remit the payment on your behalf. You should confirm with your Department whether it will pay your annual fee. The next step will be to add your vehicle information and then attach of copy of vehicle registration for verification. Select Delivery Option meaning Parking Services can mail you your parking card and decal so that you can park in the garage on the first day of Orientation or you can pick up at Parking Services prior to Orientation. You can now verify Cart details, select Payment Method and click Pay Now.

Parking forms such as Payroll Deduct forms available here: http://www.lsuhs.edu/administration/ae/parkingforms.aspx

Both the annual fee and the one time gate card fee may be deducted via payroll deduction. The Parking Gate Card fee deduct form only authorizes the onetime $25 deduction for the purchase of the card. The Parking Fee deduct form will authorize deductions based upon your pay schedule (usually $9.17 per pay period). Parking payroll deduct forms may be emailed to park@lsuhsc.edu or faxed to Parking Services, 504-568-2116. You may also attach parking deduct forms during the vehicle registration attachment process.
