

Activating the DynaMed Mobile App

- Download the DynaMed app from the Google Play Store (Android version 5.0+) or the Apple App Store (iOS 11 or later)
- If you do not already have an EBSCO or DynaMed account, you will need to create one
 - Access the web version of DynaMed
 - From the Library's Page go to **Databases-D-DynaMed**
 - If not on campus, be sure to click the Off-Campus link; you will be asked to log in with either your LSUHSC-NO e-mail and password or Library barcode and PIN

The screenshot shows the LSU Health New Orleans website. The top navigation bar includes links for 'Careers | Contact | Donate | Quicklinks', 'Patient Care', and a search bar. Below this is a secondary navigation bar with links for 'Allied Health Professions', 'Dentistry', 'Graduate Studies', 'Medicine', 'Nursing', and 'Public Health'. The main content area is titled 'Databases - DynaMed' and features an 'Access:' field with a dropdown menu set to 'DynaMed'. A red arrow points to this dropdown. Below the dropdown is a description: 'Point-of-care reference designed to provide the best available evidence to support clinical decision-making.' Below the screenshot is a blue banner for the DynaMed app. It features the DynaMed logo, a user icon, the text 'LOUISIANA STATE UNIV HSC - NEW ORLEANS', a 'SIGN IN' button with a red arrow pointing to it, and a 'Learn more about CME' button.

- Once your account has been created, open the DynaMed app and sign in
 - You may be asked to allow ebsco.zone to sign in
- You will be asked how much of DynaMed you would like to save to your device
 - **Access everything online:** you will not save any of the information to your device, but you will need a connection to use it
 - **Partial download:** you will download just the text and thumbnails of images and would need to be connected to view full-size images
 - **Full download:** all of the content will be stored on your device

The screenshot shows the DynaMed app installation screen. At the top, it says 'DynaMed' and 'Choose an installation option'. Below this is a table with three rows:

Installation Option	Size
Online Only Must have internet connection to access content.	75.2 MB
Partial Install Store text and thumbnails on your device. Full images available when connected to the internet.	600.6 MB
Full Install Store all content on your device.	759.7 MB

At the bottom of the screen is a 'Continue' button.
