

SPM 200
Information Resources for
Medical Students

Louisiana State University Health
Sciences Center Library
New Orleans
July 2011

Library & Library Commons

- <http://www.lsuhscc.edu/no/library/>
- Resource Center Building
- 433 Bolivar Street
 - Reference & Commons (3rd floor)
 - Group rooms (4th floor)
 - Laptop ports & wireless (Wi-Fi)
 - Computer lab (Microsoft products)

Go to the Library WebPage Select John P. Isché Library

The screenshot shows the LSU Health Sciences Center website. The header includes the LSU logo and the text "Health Sciences Center NEW ORLEANS" next to an aerial view of the campus. A "Quick Links" dropdown menu is visible. The main navigation area is divided into three columns. The left column contains a list of links: General Information, Student Services, Faculty Services, Schools, Research, Libraries, Administration, Job Opportunities, Support Organizations, LSUHSC Shreveport, and Other LSU Institutions. A red arrow points to the "Libraries" link. Below this list is a search bar with a "GO" button and a link to "Advanced Search". The middle column features a photograph of a woman in a blue scrub top looking at a white object in her hands. The right column contains links for Emergency Notices / Information, Katrina - Facilities Update, Chancellor's Notes (with a link for Previous Notes), News, and Events. The footer contains links for Disclaimer, Copyright 2007 LSU Health Sciences Center, and Privacy Policy.

Reference Librarians

Monday & Tuesday Groups

- Molly Knapp (Groups 1,3,5,7)
- Mary Marix (Groups 2,4,6,8)

Thursday & Friday Groups

- Carolyn Bridgewater (Groups 9,11,13,15)
- Kathy Kerdolff (Groups 10,12,14,16)

HELP!!!

- **Live Chat**
- **Email Reference reference@lsuhsc.edu**
- **In the Library**
- **Telephone: 568-6102 or 568-8339**

Objectives

Practice-Based Learning & Improvement

- Recognize available resources
 - Access resources remotely
- Select appropriate resources to locate primary research studies and authoritative websites related to patient care
- Use information technology to conduct scholarly activities (research)

Competencies

Practice-Based Learning & Improvement

2010-2011 Sophomore Competencies
SPM 200 Clinical Forums
Effective Informatics / Literature Search #1

Student, Year2

Minimum Criteria:

- Uses appropriate terms and limits for literature search
- Finds an authoritative primary paper or meta-analysis
- Correctly identifies the type of study reported

Procedure Feedback:

Overall Student's Competence: Circle One
Acceptable Strong

I observed this student perform this skill and attest that he/she met the specified criteria.

2010-2011 Sophomore Competencies
SPM 200 Clinical Forums
Effective Informatics / Literature Search #2

Student, Year2

Minimum Criteria:

- Finds an authoritative website to answer a question
- Correctly answers question using data from the website

Procedure Feedback:

Overall Student's Competence: Circle One
Acceptable Strong

I observed this student perform this skill and attest that he/she met the specified criteria.

SPM 200 Clinical Cases

- Public Health
 - Vaccines
 - Screening
- Prevention
 - Physical activity
 - Food/Diet
 - Substance Abuse
- Patient centered treatment

Evidence Based Medicine Skills

- Process of systematically finding, appraising, and using research findings as the basis for medical decisions

Evidence Based Medicine Skills

- Formulate a question from a patient encounter
- Search the literature
 - Internet
 - Databases
- Evaluate the retrieval
 - Authoritative?
 - Does it answer the question?
- Apply information in decision making and patient care
 - Best patient outcome

What is the Question?

- Is this vaccine necessary for my patient?
- Should this patient be screened?
- Is this an appropriate diet for my patient?

Search the Literature

- Select a resource
 - Internet
 - Guidelines or recommended practices
 - Databases
 - Primary research study
 - PubMed

Evaluate Retrieval

- Examine your results – Good? Bad?
 - Authoritative?
 - Does it answer the question?

Apply information in decision making and patient care

- Question answered to your satisfaction
- Decide how to respond to the patient
 - Beneficial?
 - Risks?
 - Best patient outcome
- Information for Patient

Evidence Based Resources (Short Cuts)

- Cochrane Library
- DynaMed
- Natural Standard
- Stat!Ref – ACP-Pier
