For Vendor Set IDs LSUNE and LSUSE, New Orleans and Shreveport Direct Pay Sections will determine which vendor to inactivate for future payments and for reporting one (1) 1099 per vendor TIN.

For Set ID SHARE, Shreveport Processing Center will correspond with HCSD Administration Purchasing and LSU New Orleans Medical Center Purchasing and Direct Pay Sections to determine which number is to be used for 1099 purposes and for future purchases.

HCSD Administration Purchasing will INACTIVATE the vendors that will no longer be used for purchasing. As a general rule the greatest vendor number will be inactivated from future use.

HCSD Administration will also forward inactivation and correct vendor notification to ALL PURCHASING AND ACCOUNTS PAYABLE PERSONNEL TO ALL BUSINESS UNITS INCLUDING LSUNO and LSUSH in order for data corrections to be made for 2004 1099 Processing.

**DEADLINE FOR SHREVEPORT PROCESSING CENTER/HCSD ADMINISTRATION PURCHASING IS 01/07/05.**

**DO NOT ATTEMPT TO REACTIVATE THESE VENDORS AFTER NOTIFICATION IN ORDER TO PROCESS A 1099 FOR 2004.**

SEE STEP #9 for correct procedure to produce one (1) 1099 per BU per vendor TIN.

This report lists vouchers not flagged as 1099 applicable for which the vendor is flagged as withholding and vouchers flagged as 1099 applicable for which the vendor is NOT flagged as 1099 applicable.

**WARNING:** The System will ignore 1099 voucher lines if the vendor is NOT flagged as withholding applicable.

Accounting Supervisor at each Business Unit | 5 | Remember to Clear Cache before running the following query

Run the Public Query **AP_1099_VERIFY**

(Beginning 1/5/05 for Calendar Year 2004.)

This query will list all expenditures for vendors within the Professional Services PS Account Range. The query also denotes whether the vendor is flagged as withholding or 1099 applicable. Use this query along with the Withholding Voucher/Vendor Match Report to determine 1099 applicable vouchers.
