## PeopleSoft IR- #31

### LSUSH – PeopleSoft 8.8 Upgrade Survey

#### Scope:

This PeopleSoft Information Release (IR) applies to the LSUSH Financial Community responsible for management of their departmental accounts.

#### Purpose:

As many of you know, we are upgrading the present PeopleSoft version 7.5 in Financials to version 8.8. This upgrade includes the following applications: Purchasing, Accounts Payable, Asset Management, Inventory, Project/Grants and General Ledger.

In order to accomplish an effective and smooth transition, we need your feedback regarding what reports, queries, and PeopleSoft panels you use and the frequency of use.

Due to the importance of this upgrade, you will receive two additional Information Releases (IR) with feedback/survey instructions. The first IR will be sent February 2, 2005. This release will request your feedback regarding your use of Crystal reports, nVision reports, and People Soft Panels. The second IR will be sent on February 4, 2005, and will ask for your feedback on your use of Public Queries.

#### Procedures

**Information** – Everyone is highly encouraged to respond within two days of receiving each Information Release. We appreciate your cooperation and support in advance of this very important step in the upgrade process.

#### Questions/Comments:

Refer all questions or comments via e-mail with supporting documentation of any discrepancies/concerns to **Accounting Services**.
