

PeopleSoft IR- #50

LSUSH - Month of November 2005 General Ledger Closed – Update on Processes Affected by the Hurricane

Scope:

This PeopleSoft Information Release (IR) applies to the LSUSH Financial Community responsible for management of their departmental accounts.

Purpose:

The purpose is to inform all managers that the financial information for the month of November 2005 is now closed in the General Ledger.

The purpose is to also inform all managers that the financial information for the month of December 2005 is currently processing in the General Ledger. All financial processes are now current with the exception of the Physical Plant (PHP) subsystem feed.

* The Physical Plant (PHP) subsystem feed is still being evaluated for possible General Ledger loading, therefore the subsystem feed related to PHP for portions of August, all of September, all of October, all of November, and all of December is not yet in the General Ledger. The New Orleans mainframe that the Physical Plant subsystem resides is up and being tested for actual use.

Module:

The IR affects the General Ledger Module in Financials Production and Financials Reporting.

Source:

The source of this IR is a result of a General Ledger processing.

Procedures

Information – Everyone is highly encouraged to utilize the various reporting tools at this time to review and analyze all your department chartstrings. Year to date information is now current in the reports database.
