

## LSU Health New Orleans Student Parking Registration

*The information on this page summarizes the online parking registration process. Students must still select Parking Fee and Parking Gate Card on Optional Fee Form submitted to Bursar's Office.*

Register online by entering our Online Parking Account site with your LSUHSC credentials (username and password). Use the following link and click Log in.

<https://lsuhscnolaparking.t2hosted.com/cm/index.aspx>

Since you will already be credentialed with the University, click on the Affiliated Login option. Enter your University Login ID (Username) and Password.

Select Purchase Permit/Decal Plus Card option for the applicable semester. The options for Student parking permits are Student Commuter lots and Residence Hall lot (tenants only). The next step will be to add your vehicle information and then attach a copy of vehicle registration for verification. Select Delivery Option so that you can pick up at Parking Services prior to Orientation or Orientation day. Verify Cart details, select Payment Method (Bursar LSU Student Fees), and click Pay Now. If for any reason you did not add the parking fees on your Optional Fee form, you can pay parking fees directly by credit card.

During the process, you can review parking rules and regulations. It is important to read the parking regulations, however a summary of important rules is listed on last page.

Parking Services
