IT Office Hours

Introduction – 5 minutes

The objectives of these workshops are to promote collaboration between IT and the LSUHSC-NO community, to gather information on IT pain points and address them, and to showcase new tools and technology. Each workshop will be structured to allow consultation with IT department staff along with a featured topic presentation.

Today's Topic

Moodle Efficiency Tips for Educators - 15 minutes

- Moodle App
- Logo/Picture to Identify Course on Homepage
- Attendance
- Workshop Activity
- Matrix Quiz Questions

Open Q & A with our consultants – 40 minutes

There will be representatives available from the IT department who can help with any questions you may have.

Closing

Since this will be an open format feel free to come and go at any time.
