

## How to Poll in PowerPoint and view Participant results?

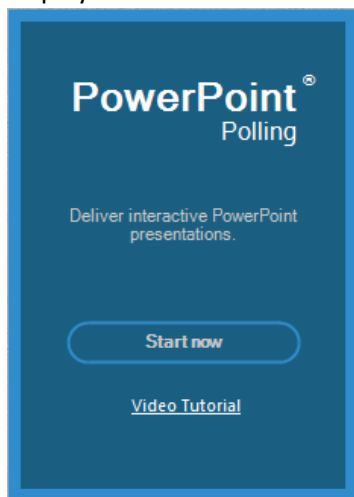

Instructors can poll in PowerPoint to track Participant results. Before you begin to Poll in PowerPoint, you need a presentation with question slides and verify that the Mobile Responses is enabled.

NOTE: For more information on creating a polling presentation, see [Create a PowerPoint Polling Presentation](#). For more information on enabling mobile responses, see [Enable Mobile Responses](#).

1. Open TurningPoint Desktop and sign into your Turning Technologies Account.
2. Select the **Polling** tab in the TurningPoint Dashboard.
3. Select the course from the left panel.

4. Click **PowerPoint** from the polling environment. The *PowerPoint* presentation window is then displayed.

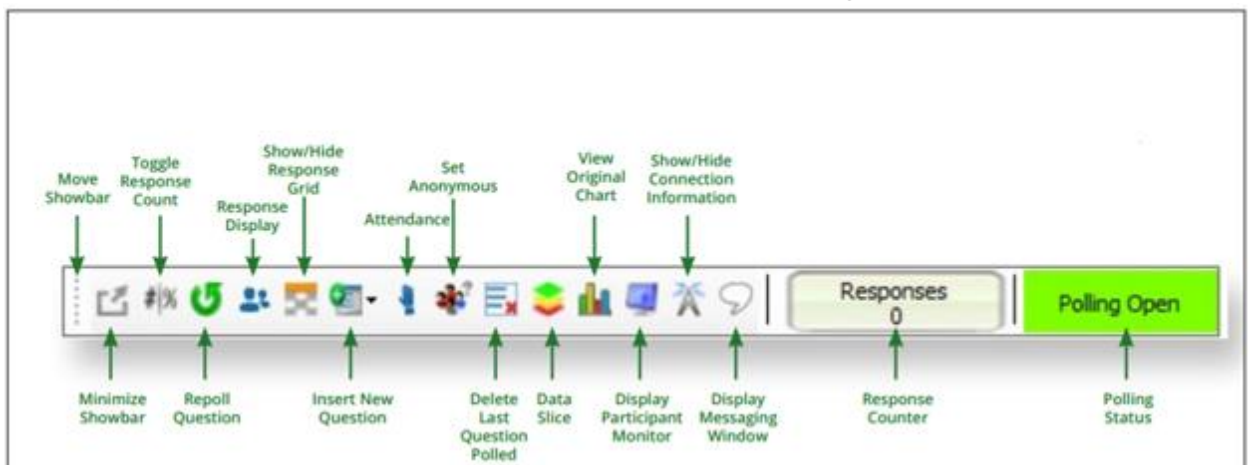

- Open the **PowerPoint presentation** that contains the question slides.
- From the TurningPoint ribbon, verify the correct participant list has been loaded in **Participant Monitor** and **Live Polling** is selected in the Polling drop-down box.

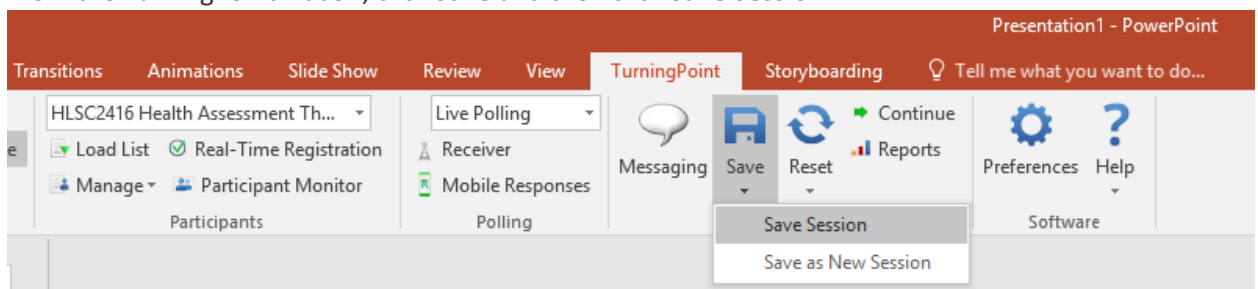

- Start the Slide Show.**

- You and your participants can now view the presentation. The polling is now open.

- Continue to **next slide** until the Slide Show is finished.
- From the TurningPoint ribbon, click **Save** and then click **Save Session**.

11. Close the presentation when you have finished polling.
12. TurningPoint opens to the **Manage** tab in TurningPoint Dashboard.
13. Select the session under the course from the left panel. From the **Session Overview** screen, click **Results Manager** to view participant results.

TURNING Technologies v8.5.2.3

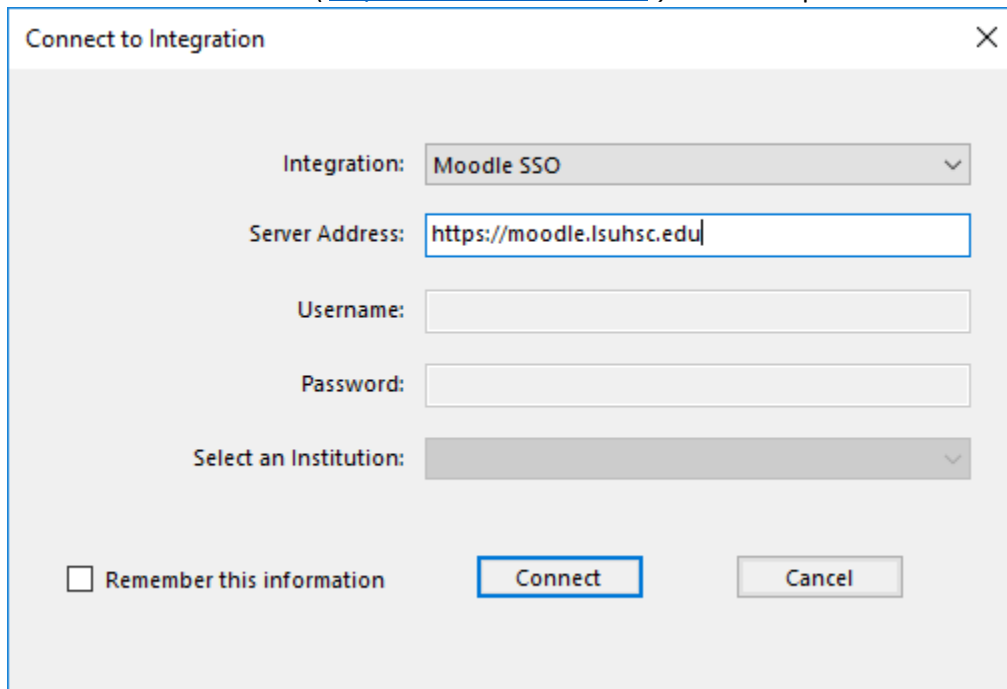

15. If you see any results under **Unassigned Devices** then click **Integrations** at the top. The *Connect to Integration* window is then displayed.

The screenshot shows the TurningPoint Dashboard interface. At the top, there are tabs for 'POLLING', 'CONTENT', and 'MANAGE'. The 'MANAGE' tab is active, and the 'Integrations' option is highlighted with a red circle. Below the navigation bar, there is a table with columns for 'Name', '8-24-2018 9-48', 'Total Points', and 'Percent'. The table lists participants: Martel, Christopher (0 points, 0.00%), Scott, Delphina (0 points, 0.00%), and an 'Unassigned Devices' section with one device (111931FC, 1 point, 50.00%). To the right of the table, there is a 'Test Course 101 - Quizzes' section with statistics: Number of Questions: 2, Maximum Points: 2, Number of Responders: 1, and Average Score: 50.00%. Below the table, there is a 'Show Removed Participants' checkbox and a 'Close' button. The footer of the dashboard includes the TurningPoint logo and version number v8.5.2.3.

16. Select **Moodle SSO** from the Integration drop-down menu.

The screenshot shows the 'Connect to Integration' dialog box. It has a title bar with a close button (X). The dialog contains several fields: 'Integration:' with a dropdown menu showing '-- Please Select LMS --' and a list of options including 'Blackboard', 'Blackboard SSO', 'Brightspace', 'Canvas', 'Moodle', 'Moodle SSO' (highlighted in blue), 'Performance Matters', 'Sakai', and 'Sakai SSO'; 'Server Address:', 'Username:', 'Password:', and 'Select an Institution:' fields. At the bottom, there is a 'Remember this information' checkbox and two buttons: 'Connect' and 'Cancel'.

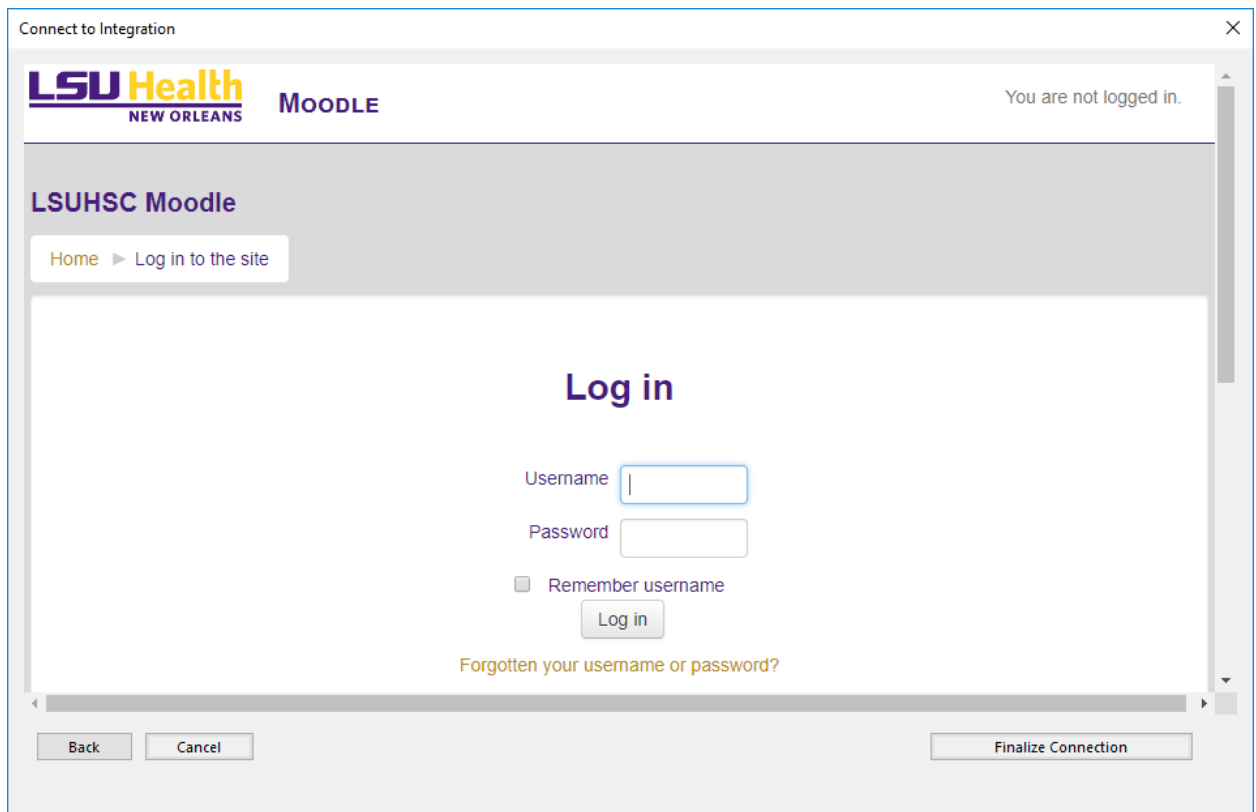

17. Enter the **Server Address** ( <https://moodle.lsuhs.edu> ) in the box provided and click **Connect**.

The screenshot shows a dialog box titled "Connect to Integration" with a close button (X) in the top right corner. The dialog contains the following fields and controls:

- Integration:** A dropdown menu with "Moodle SSO" selected.
- Server Address:** A text input field containing "https://moodle.lsuhs.edu".
- Username:** An empty text input field.
- Password:** An empty text input field.
- Select an Institution:** A dropdown menu that is currently empty.
- Remember this information
- Connect** button
- Cancel** button

18. Enter your Moodle **Username** and **Password** and click Log In. The *Update with Integration* window is then displayed.

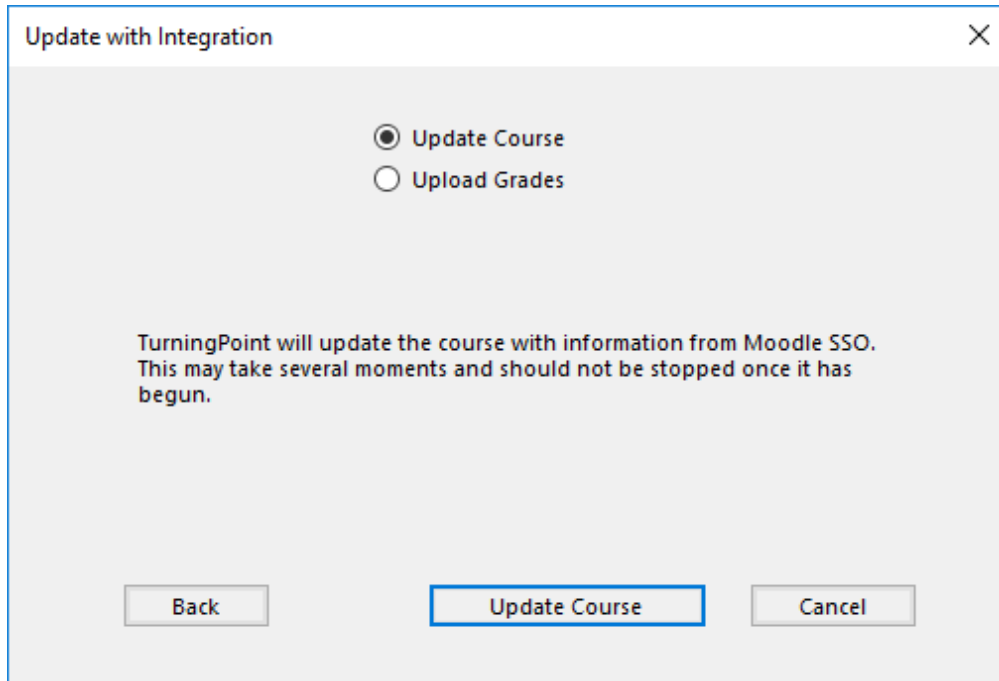

The screenshot shows a web browser window displaying the Moodle login page. The page header includes the "LSU Health NEW ORLEANS" logo and the word "MOODLE". A status message in the top right corner reads "You are not logged in." Below the header, the page title is "LSUHSC Moodle" and there is a breadcrumb trail: "Home > Log in to the site". The main content area is titled "Log in" and contains the following elements:

- Username:** A text input field.
- Password:** A text input field.
- Remember username
- Log in** button
- [Forgotten your username or password?](#)

At the bottom of the browser window, there are three buttons: "Back", "Cancel", and "Finalize Connection".

19. Select **Update Course** and click **Update Course**. The course is updated. Click Close.

NOTE: If you have students that are unregistered and/or unlicensed, a box will appear letting you know who those students are that are having issues. Click OK to continue.

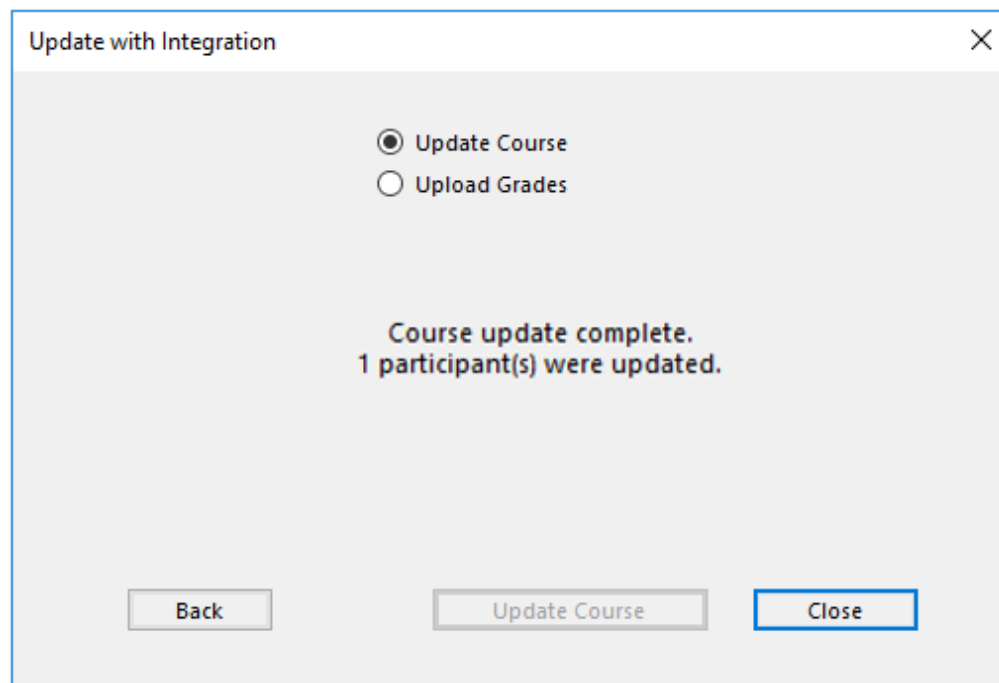

Update with Integration

Update Course  
 Upload Grades

TurningPoint will update the course with information from Moodle SSO. This may take several moments and should not be stopped once it has begun.

20. The results window should now have all your participants and their results.

The screenshot shows the TurningPoint Dashboard interface. At the top, there are navigation tabs for POLLING, CONTENT, and MANAGE. The MANAGE tab is active. On the right side of the top bar, the user's name 'Kiran Nayak' is displayed, along with '100 Seats' and a 'Feedback' icon. Below the navigation tabs, there are icons for Overview, Columns, Integrations, and CSV. The main content area is titled 'Test Course 101 - Quizzes'. To the right of this title, it shows 'Number of Columns: 1', 'Maximum Points: 2', 'Number of Participants: 2', and 'Average Score: 25.00%'. A table displays the quiz results:

Name	8-24-2018 9-48	Total Points	Percent
Martel, Christopher	-	0	0.00%
Scott, Delphina	1	1	50.00%

Below the table, there is a large greyed-out area. To the right of the table, there is an 'Overview' section with expandable options: 'View Options', 'Participation', and 'Benchmarks'. At the bottom left, there is a checkbox labeled 'Show Removed Participants'. At the bottom right, there is a 'Close' button. The footer of the dashboard includes the TurningPoint logo, the text 'TURNING TECHNOLOGIES v8.5.2.3', and a settings icon.

21. Click Close.
