Explanatory Note: The performance indicator values will be calculated using the institutionally classified cohort of first-time, full-time, degree-seeking students in a given fall who re-enroll the following fall semester in any public post-secondary institution. The number of students found re-enrolled will be divided by the number of students in the cohort to obtain a retention percentage. This indicator tracks degree seeking first-time students enrolled full-time in credit courses as of the 14th class day (9th for quarter systems) of the fall semester. It does not reflect the total retention for the college/university. This includes full-time students entering the M.D. and D.D.S. program, the Baccalaureate degree programs in Nursing, Dental Hygiene, Ophthalmic Technology and Cardiopulmonary Science, and the Associate Degree program in Dental Lab Technology.
