DBR0312 Back Extension

DISCOVERY™ SERIES BENCHES & RACKS

Like every piece of equipment in our Discovery™ Series Benches & Racks Line, the DBR0312 Back Extension adds value to your facility by combining essential performance and durability with thoughtful design.

The durable and easy-to-use Discovery Series Back Extension provides exercisers with a solid strength training foundation. The adjustable hip pads and anatomically-positioned handles increase exerciser comfort and enhance the functionality of the product.

Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase with confidence. With a full range of approachable and intuitive products that perform for exercisers of all ability levels and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

Product Features

1. Handles

Anatomically-positioned handles allow for easy entry and exit of the Back Extension without impeding full exerciser function.

2. Adjustable Hip Pads

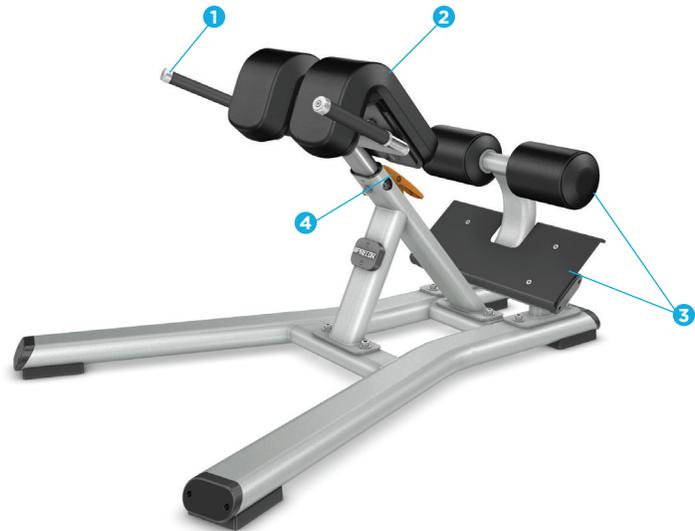

Ratcheting, dual-hip pads are ergonomically positioned and are extra thick to provide comfort and enhanced functionality.

3. Foot Capture

The thick foam rollers and large, non-skid foot platform enable comfortable and secure foot placement during the workout.

4. Ratcheting Hip Pad Adjustment

The gas-assisted hip pad adjustment allows exercisers to get the right fit for their body.
