

## ITEM F6

### DPL0616 Calf Raise DISCOVERY™ SERIES PLATE LOADED LINE

Like every piece of equipment in our Discovery™ Series Plate Loaded Line, the DPL0616 Calf Raise adds value to your facility by combining essential performance and durability with thoughtful design to deliver an exerciser experience that feels natural.

With an easy-to-use fall-away catch, a weight plate horn that is angled for easy loading of weights, and a telescoping adjustable thigh pad, the Discovery Series Plate Loaded Calf Raise delivers an effective and reliable workout experience.

Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase decision with confidence. With a full range of products that are approachable and intuitive, perform for exercisers of all ability levels, and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

Calf Raise  
DISCOVERY™ SERIES PLATE LOADED LINE

# ITEM F6

## Product Features

### 1. Thigh Pad Adjustment

The thigh pad is easily adjustable and telescopes to accommodate a wide range of exercisers.

### 2. Fall-Away Catch

The fall-away catch quickly releases when the exerciser begins the workout. When the exerciser is finished, they simply place the catch back in place and lower the carriage, allowing for an easy exit and no sudden dropping of the weight.

### 3. Footplate

The textured, powder-coated footplate provides a highly durable and secure surface for the exerciser to rest their feet on during the workout.

### 4. Instructional Placard

Easy-to-understand, large, text-free illustrations demonstrate correct form at a glance and a QR code links to a helpful 30-second instructional video.
