

Faculty & Students Recognized in IPE Research

YEAR	JOURNAL	TITLE	AUTHORS/ LSU Health-NO Faculty & Students
<b>2018</b>			
	Advances in Physiology Education	The Potential of Interprofessional Education to Effectively Translate Physiology Curricula into Future Team-Based Healthcare	S. Edwards P. Molina K. McDonough D. Mercante T. Gualdo
	Journal of Dental Education	Developing interprofessional education: Establishing a baseline and moving forward	J. Townsend J. Zorek (Univ of Wisconsin-Madison) S. Andrieu R. Baroni De Carvalho J. Schiavo D. Mercante T. Gualdo
	Respiratory Care	Increasing awareness of the roles, knowledge and skills of respiratory therapists through an interprofessional education experience	J Zamjahn E Beyer K Alig D Mercante K Carter T Gualdo

Health and Interprofessional Practice

Integrating interprofessional education into an academic enrichment program

T. Gunaldo  
A. Augustus-Wallace  
A. Goumas  
T. Cheramie  
S. Brisco  
E. Levitzky

2017

Journal of Interprofessional Care

Aligning interprofessional education collaborative sub-competencies to a progression of learning

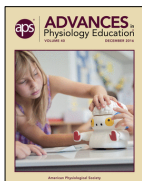

T. Gunaldo  
K. Brisolaro  
A. Davis  
R. Moore

American Journal of Audiology

Promoting hearing health collaboration through an interprofessional education experience

J. James  
R. Chappell  
D. Mercante  
T. Gunaldo

Advances in Physiology Education

Effectiveness of interprofessional education in renal physiology curricula for health sciences graduate students

L. Harrison-Bernard  
M. Naljayan  
J. Eason  
D. Mercante  
T. Gunaldo

Journal of Interprofessional Education and Practice

Developing student interprofessional competence through a support group assignment

S. Mangum  
J. Johnson  
E. Casanova  
T. Gunaldo

American Society for Clinical Laboratory Science

Promoting interprofessionalism within an academic environment

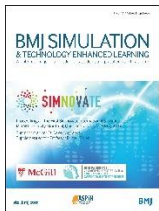

M. Glover  
T. Gunaldo  
D. Mercante  
A. Foley  
M. Zitzmann

Journal of Physician Assistant Education

Integrating an interprofessional education experience for physician assistant students into a human physiology course

S. Edwards  
P. Molina  
K. McDonough  
D. Mercante  
T. Gunaldo

BMJ Simulation and Technology Enhanced Learning

Team Training of Inter-Professional Student (TTIPS) for improving teamwork

J. Paige  
D. Garbee  
Q. Yu  
V. Rusnak

Health and Interprofessional Practice

Practicing collaborative skills through an interprofessional interview with individuals diagnosed with Parkinson's Disease

T. Gunaldo  
T. Tartavouille  
E. Levitzky  
S. Karlin  
A. Lin  
O. Truong

Journal of Interprofessional Education and Practice

Improvement in interprofessional student learning and patient outcomes

M. Coleman  
A. McLean  
L. Williams  
K. Hasan

Journal of Interprofessional Education and Practice

Interprofessional simulation education designed to teach occupational therapy and nursing students complex patient transfers

R. Jacobs  
E. Beyer  
K. Carter

---

2016

American Journal of Men's Health

Interprofessional men's health practice

D. Porche

---

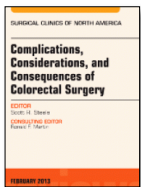

2015

Journal of Interprofessional Education and Practice

Using the IDEA framework in an interprofessional didactic elective course to facilitate positive changes in the roles and responsibility competency

T. Tartavouille  
R. English  
T. Gunaldo  
D. Garbee  
D. Mercante  
S. Andrieu  
J. Johnson

Surgical Clinics of North America

Using simulation in interprofessional education

J. Paige  
D. Garbee  
K. Brown  
J. Rojas

---

2014

Journal of Allied Health

Impact on physical therapy and audiology students of an interprofessional case-based learning experience in education of vestibular disorders

R. Trommelen  
L. Hebert  
T. Nelson

Journal of Interprofessional Care

Student perceptions about interprofessional education after an elective course

T. Gunaldo  
S. Andrieu  
D. Garbee  
L. Giovingo  
D. Mercante  
S. Tortu  
R. English

Journal of the American College of Surgeons

Getting a head start: High-fidelity, simulation-based operating room team training of interprofessional students

J. Paige  
D. Garbee  
V. Kozmenko  
O. Yu  
L. Kozmenko  
T. Yang  
L. Bonanno  
W. Swartz

2013

Medical Science Educator

Providing interprofessional continuing education promotes continuing competence in healthcare providers

T. Gunaldo  
S. Mangum

Journal of Dental Education

Past, present, and future of predoctoral dental education in orofacial pain and TMDs: A call for interprofessional education

G. Klasser  
H. Gremillion

Journal of Continuing Education in Nursing

Effect of simulation-based crew resource management training on measurable teamwork and communication among interprofessional teams caring for postoperative patients

D. Paull  
L. DeLeeuw  
S. Wolk  
J. Paige  
J. Neily  
P. Mills

Journal of Nursing Education and Practice

Effectiveness of teamwork and communication education using an interprofessional high-fidelity human patient simulation critical care code

D. Garbee  
J. Paige  
L. Bonanno  
V. Rusnak  
K. Barrier  
L. Kozmenko  
O. Yu  
J. Cefalu  
T. Nelson

Nursing Education Perspectives

Interprofessional teamwork among students in simulated codes: A quasi-experimental study

D. Garbee  
J. Paige  
K. Barrier  
V. Kozmenko  
L. Kozmenko  
J. Zamjahn  
L. Bonanno  
J. Cefalu
