INTERPROFESSIONAL STUDENT ALLIANCE

APRIL 2018

VOLUME 1 ISSUE 8

InterProfessional Education

The Interprofessional Student Alliance is an organization of students from across the health sciences center who work within the community in service and leadership. IPSA encourages representation and participation from all 6 professional programs at LSUHSC. As a student run-organization, IPSA has nine programs that work in the New Orleans region to enact change in the health of the community.

IPSA BOARD ELECTIONS

Another year has almost come to an end, and it is time for IPSA to elect new Executive Board Members. IPSA gives students a chance to work with students from all 6 professional programs at LSUHSC in addition to 10 independent student-led programs. If you have an interest in helping to develop leaders amongst your peers while contributing to the needs of the underserved populations, the IPSA Executive Board is for you! See the attached application and a description of the roles of each board member. Applications should be completed and sent to klamb3@lsuhsc.edu before April 5th. Runoffs for any positions will be held the following week and those elected will be notified within the following day. Current officers can be found on the IPSA website and welcome inquiries into their roles from any potential candidates.

DISTRIBUTION OF CORDS FOR GRADUATING STUDENTS

With graduation fast approaching, IPSA Board Members have been working to compile a list of all students receiving IPSA awards. Student names have been given to each of the respective programs for recognition during commencement activities. IPSA Representatives for each of the schools will be in charge of distributing cords to students in each of the programs in the upcoming weeks. Leadership Award cords will be distributed at a recognition banquet later this month, exact date to be determined. At this point, if you believe there has been a mistake in the tabulations, you should contact khamm2@lsuhsc.edu immediately. IPSA wants to thank all participants for a great year of interprofessional growth and service at LSU and in the surrounding community!

LITTLE BITTY LEARNING

Hello Students! Hope everyone is doing well! The LBL spring semester program just finished last week, thank you to all those that volunteered in this program throughout the year! Also, LBL is actively recruiting leadership for the 2018-2019 academic school year. This is great opportunity to gain leadership experience and boost your resume! If you did not participate in the Little Bitty Learning IPSA program this past year, you can still apply. Also, if you are not interested in applying/graduating, but know of someone who could be a good fit, pass along the information!

The only requirement that must be met by all applicants is that you will be a LSUHSC student for the 2018-2019 academic school year. Below is the link to the Leadership Team Roles and Responsibilities as well as the link to the Google Form Application. Once you submit an application, email your resume to NolaLBL4Kids@gmail.com.

The application deadline has been extended and is due by Friday, April 13th, 2018. If you have any questions, please email at NolaLBL4Kids@gmail.com. We look forward to receiving and reviewing your application! How you all have a Happy Easter!

LOCUS

LOCUS and the South Central AIDS Education and Training Center Program (SCAETC) will be hosting the LGBT Health Care Symposium on April 25th, 2018 from 6:00-8:30pm. The focus of this year's panel will be on the physical and mental health care of HIV/AIDS patients in the LGBT community. The day after the symposium, a training session on HIV criminalization in Louisiana will be held from 6:30-8:30pm. Both the Symposium and the training session will be held on the first floor of the Medical Education Building (MEB) in lecture hall A. Keep an eye out for more information and a flyer in the coming weeks.

HOTSPOTTING

There's an upcoming art show hosted by LSUs art in medicine at HiVolt on April 21st. All proceeds will be donated to NOLA HotSpotters. See flyer attached for more information!

NOMI

New Orleans Medical Innovators is hosting their last event of the semester - Demo Day! After nine months of brainstorming and prototyping, our two teams, lead by David Van and Nate Sharfman, will pitch their hard work to an audience of fellow students, doctors, entrepreneurs, lawyers, and other professionals active in the bio-innovation scene. Come celebrate this year's progress over some local cuisine before we send off our fellow classmates to compete at the national level in St. Louis this month! Event will be held on April 3, 2018 in the Lion's CAP Room from 7 to 8 pm.

STUDENTS FOR SUSTAINABILITY

Spring is officially here (with summer temperatures right around the corner)! Be sure to get your summer harvest started by planting your brussel sprouts, corn, cucumber, and squash! If you have any garden or planting questions, feel free to email lsuhscsfs@gmail.com for more information!

Applications are now open for leadership positions for the 2018-2019 year! If you would like to be a part of a program promoting sustainability throughout our campus by supporting a student garden, programs educating the community about healthy eating, and campus wide initiatives to decrease our carbon footprint, please attend our next meeting on April 11 at noon in MEB S14 to learn more about what we are about. If you are unable to attend, email lsuhscsfs@gmail.com or agill4@lsuhsc.edu.

Upcoming events:

April 11: General Membership Meeting at 12 in MEB S14

Good luck with finals and exams as the semester comes to a close!
