

Alcohol Use

The use of alcohol is prohibited in classroom buildings, laboratories, auditoriums, library buildings, faculty and administrative offices, athletic facilities, and all other public campus areas. Alcohol may be served for special events on campus sponsored by the institution with written authorization from the Chancellor's Office, or their authorized designee and when the LSUHSC-NO's Guidelines for Responsible Use of Alcohol are followed.

These Guidelines also apply to the use of alcohol at LSUHSC-NO sponsored functions off campus. The Guidelines are contained in [CM-36](#) (Guidelines for the Responsible Use of Alcohol).

Substance Abuse

Unauthorized use of, possession of, or being under the influence of alcohol and the illegal use, abuse, possession, manufacture, dispensation, distribution of, or being under the influence of controlled or illegal drugs is prohibited while at work, on call, on duty, at school, or engaged in LSUHSC-NO business on or off LSUHSC-NO premises.

LSUHSC-NO provides for an on-going alcohol and drug-testing program for reasonable suspicion/for cause, post accident, periodic monitoring or aftercare, and random testing.

This Substance Abuse Policy applies to all faculty, staff, residents, and students of LSUHSC-NO. Students must understand that initial and continued enrollment is contingent upon compliance with this policy. The complete policy is in [CM-38](#) (Substance Abuse Policy and Procedures).

Campus Security & Violence Risk Reduction

Everyone has a reasonable expectation to a safe and secure working and learning environment free of threats and assaults. Students have a responsibility to ensure the safety and security of the campus. LSUHSC-NO is committed to maintaining a campus free from violence including sexual assaults, threats of violence including verbal and non-verbal threatening behavior, and harassment. Such behavior is unacceptable and is not permitted on campus.

The Campus Violence Risk Reduction Plan:

- Specifies where and how to report criminal activity and emergencies
- Reviews campus safety policies and the emergency alert system
- Reviews reporting procedures and services provided to victims of sexual assault

The complete policy is in [CM-44](#) (Campus Security Policy & Campus Violence Risk Reduction Plan).

Deficit Reduction Act Notice

The Deficit Reduction Act was designed to improve federal and state oversight and enforcement actions against fraud and abuse in the Medicaid program. It requires that any entity receiving more than 5 million dollars in Medicaid funds per year must instruct their workforce on the following issues:

- The federal False Claims Act
- Any state, civil, or criminal penalties for false claims
- Whistleblower protections

More information about the Deficit Reduction Act can be found at:

Information Technology

Information Technology (IT) infrastructure users are expected to exhibit responsible behavior and comply with all federal and state laws, LSUHSC-NO rules and policies, computing contracts, and software licensing rules. Students should not engage in any activity that jeopardizes the availability, performance, integrity, or security of the IT infrastructure. For example, students should not:

- Use peer-to-peer applications that take up bandwidth for the downloading of music, games, and video
- Deliberately or recklessly overload access links or switching equipment by using streaming media such as web radio and other mechanisms

[CM-42](#) contains the entire IT Infrastructure Policy. By using a computer on the LSUHSC-NO IT infrastructure, students acknowledge that they are subject to the terms of CM-42 and that they give their unrestricted consent to the monitoring, copying, and unrestricted distribution of any transmission, communication or image generated, received by, sent by, or stored in the computer.

Noncompliance could result in disciplinary action up to and including dismissal from an academic program, and civil or criminal liability.

Weather Related Emergency Procedures

During a weather event that requires closing of the campus, LSUHSC-NO will not function as an evacuation site for students. [CM 51](#) (Policy on Weather Related Emergency Procedures) has information about disaster preparedness and response. Students are encouraged to familiarize themselves with this information.

Supervisory Role of the Institution over Student Activities

LSUHSC-NO recognizes the need for and encourages student self-governance in the student-university relationship. Student self-governance may range from campus-wide self-government through the Student Government Association to student self-governance in much smaller groups such as recognized student organizations as described in [CM-33](#) (Policies and Procedures Governing the Supervisory Role of the Institution Over Student Activities Including Student Publications).

Student organizations may be recognized for any lawful purpose and may petition for recognition by submitting a constitution to the LSUHSC-NO Student Affairs Committee through their School's Student Affairs Office. All official student organizations must have approval of LSUHSC-NO and must have a faculty advisor.

Students have the right to publish and distribute written material protected by the First Amendment without prior approval of the contents of the material. The time, place, and manner of distribution may be limited by such regulations as are necessary for the responsible operation of LSUHSC-NO as determined by the Vice Chancellor for Academic Affairs.

Student Responsibilities and Rights

Students are responsible for complying with all policies/procedures, rules and regulations, and other information published by LSUHSC-NO. In addition, students are expected to abide by all federal, state, and local laws. Mistreatment and abuse of students by faculty, residents, staff, or fellow students is contrary to the educational objectives of LSUHSC-NO and will not be tolerated. Students should view [CM-56](#) (Student Responsibilities and Rights) for a description of additional responsibilities and rights. CM-56 also describes the procedures for addressing student complaints including informal conflict resolution and filing a formal complaint.
