Teams (10-15 students/team) meet for 6  
total sessions, 3 during the fall and 3 during  
the spring semester. Students remain on the  
same team for the two-year period

*Since we have 60 teams, but the Team-Based Learning Room only provides space for 15 teams, our office repeats each session 4 times - hence the once a month meetings.*

# THINGS TO KNOW

---
