LSU Health New Orleans

HEALTH SCIENCES CENTER

The **Interprofessional Student Alliance** is an organization of students from across the health sciences center who work within the community in service and leadership. IPSA encourages representation and participation from all 6 professional programs at LSUHSC. As a student run-organization, IPSA has 7 programs that work in the New Orleans region to enact change in the health of the community.

InterProfessional Education

Students for Sustainability:

Students for Sustainability is seeking to address potential food insecurity on LSUHSC's campus by starting a food pantry. Please consider answering the following survey questions to give us your thoughts (all responses will be anonymous). Click here → [survey](#):

Email Project leader [Michelle Kendall](#) for more questions, or send questions to [SFS's LSUHSC email](#)!

ANNOUNCEMENTS:

Please see the IPSA website for access to our calendar with up-to-date information on upcoming events, grant availability, contact information, and more.
