

Louisiana Driver's License

<http://omv.dps.state.la.us/> or www.expresslane.org

Identification

Foreign passport with I-94, showing status with USCIS

You must have 180 days (6 months) left on your status to be issued a driver's license, as indicated by the end date on your I-20, DS-2019, Employment Authorization Document (EAD) or I-797 Approval Notice**.

Students and Exchange visitors will **NOT be issued a license with validity that includes the 60 or 30 grace period permitted at the end of their educational/exchange program.**

F-1 Students with a pending application for Post Completion OPT cannot obtain a driver's license renewal until their OPT has been approved and the EAD card is received. F-1 Students in a cap gap extension period cannot obtain a license renewal until the H1B petition has been approved, the I-797 Approval Notice is received and the start date has arrived.

H1B and TN employees and their dependents cannot obtain a driver's license renewal during the 240 day grace period permitted while an **extension request is pending. The I-797 Approval Notice must be received before the license can be renewed.**

Social Security Verification

Social Security Card /Number OR a letter from Social Security Administration stating the applicant is not eligible for a social security card/number. Most dependents are not eligible for a social security number and it is not necessary to obtain a letter of ineligibility for these dependents. J-2 dependents are eligible for employment through approved work authorization and may require an ineligibility letter from the Social Security Office.

Out of Country License

If out of country license is **not** from [Canada](#) or [South Korea](#), the applicant must complete a 6-hour pre-licensing course from an approved driving school. If the Out of Country license does not already include English translation of a foreign language, a translation will be required. There are many options for obtaining a translation. (A current list of schools is available at www.expresslane.org)

Out of State License

If you have a valid license from another U.S. State, you may surrender that license and obtain a Louisiana license. Applicants surrendering a valid out of state license will be exempted from all testing, except the vision screening.

Students (only)

➡ If the student is here for one semester only – he/she cannot get a driver's license

➡ If the student is applying for the driver's license during the summer and did not register for the summer session, he/she will not be eligible.

➡ The student's name must agree in all documents

➡ Current school ID card and current fee bill showing paid in full. If the money is being transferred to the school and the student does not have the fee bill, a letter from the Bursar is needed to verify current enrollment (*Dependents must be accompanied by the student and their ID documents*)

Procedures

All applicants must pass a vision test (20/40 minimal acceptable vision)

Computerized testing

All applicants must pass the:

Road Signs Test (25 questions) 80% passing score
