

# Clinical Trials Office Services

5 June 2024

# Objectives

- Reintroduce the Clinical Trials Office
- Outline the services and tools provided by the CTO

# CTO Purpose

The Clinical Trials Office (CTO) serves as a central resource for initiating and conducting clinical trials for LSUHSC investigators. We provide the following services:

- Assistance with CDA/NDA review
- Medicare Coverage Analysis
- Contract review and negotiation
- Budget development, review, and negotiation
- Limited coordinator support
- ClinicalTrials.gov assistance

# CTO Staff
