Overhead Rate

Industry-Sponsored Trials	35%
---------------------------	-----

Start-Up Costs (one time, non-refundable)

Administrative Start-Up Fee, including overhead Start Up Fee includes CDA Review, Protocol Review, CTA Review and Negotiation, Coverage Analysis, Budget Review and Negotiation, Regulatory Submission, Subcontracting, Protocol Build, and Administration.	\$10,800
Clinical Trial Management System (LSUHN Only) Our CTMS is a purpose-built platform that is designed to be used at the point of care, enabling our clinical research team to focus on our patients while achieving our research goals. The system further empowers us to optimize research management through workflow, dashboard and analytic tools. Nonnegotiable and nonrefundable.	\$1,000
eRegulatory System (LSUHN Only) In order to improve study start-up timelines, centralize, standardize and optimize regulatory documents and processes and provide remote monitoring functionality, we utilize an e-regulatory system. Sponsors have direct access to the investigative site file (ISF). The sponsor pays an annual fee for the utilization of the e-regulatory system. Nonnegotiable and nonrefundable.	\$500
LSUHSC IRB Initial Review	See IRB Fee Schedule
LSUHSC IBC Initial Review	\$500

Invoiceable Costs (invoiced per occurrence)
