IACUC Non Compliance Process

5. **Correction**
   - Institution follows agency ruling which may include accepting institution's correction action plan, make additional corrective action requirements, repayment of grant money, loss of or change in status of OLAW Assurance.

4. **Reporting**
   - If the project is NIH or other federal agency funded, IACUC sends a report of findings and corrective action to OLAW and or federal agency. Reporting is applicable to private/corporate funded protocols where stated in contract.

3. **Acceptance**
   - If acceptable, IACUC chair sends an affirmation and acceptance letter of corrective action plan to PI

2. **Reporting**
   - Veterinary staff or IACUC member reports the corrective action plan to the IACUC

1. **Council and Correct**
   - Veterinary staff or IACUC member councils the PI then, together with the PI drafts a corrective action plan.

1. **Inquiry**
   - Chair sends letter of inquiry to PI and determines if a subcommittee is necessary to investigate

**Major Noncompliance**

**Minor Noncompliance**

**Appraisal**
- All concerns are reported to the IACUC Chair who determines whether a noncompliance is minor or major

**Discovery**
- A noncompliance concern is reported to the IACUC, Veterinary staff or compliance hotline
