DMPTOOL ACCESS & USE

1. Go to DMPTool.org

2. Single sign-on (SS0):
    a. Enter LSU Health email and select "Continue"
    b. Select "Sign in with Institution to Continue"
    c. Follow sign in and multi-factor authentication prompts
    d. Arrive at dashboard

2. Create plan from your dashboard:
    a. Once logged in, you may create DMPs for your project using a template for your funding agency (or create a mock plan for practice).

3. Actions:
    a. Export your plan: Plans can be exported into Microsoft Word or PDF formats at any time.
    b. Test plans: If you are just practicing creating a plan, there is an option to create test plans. There is a generic template in case you wish to create a plan not associated with any funder.
    c. Finalize/publish: Set plan visibility
        i. Private: visible to only your specified collaborators and administrators at LSUHSC-NO
        ii. Organization: anyone at your organization (LSUHSC-NO) can view
        iii. Public: anyone can view
    d. FAQ: more information can be found here.
