

LSU Health New Orleans Student Parking Registration

The information on this page summarizes the online parking registration process. Should additional guidance be needed, more detail page by page screen shots follow. Students must still select Parking Fee and Parking Gate Card on Optional Fee Form submitted to Bursar's Office.

Register online by entering our Online Parking Account site with your LSUHSC credentials (username and password). Use the following link and click Log in.

<https://lsuhscnolaparking.t2hosted.com/cm/index.aspx>

Since you will already be credentialed with the University, click on the Affiliated Login option. Enter your University Login ID (Username) and Password.

Select Purchase Permits/Gate Cards and options will be listed. Add a parking gate card to the basket then return to add the relevant parking Student permit fee. The options for Student parking permits are Student Commuter lots, Residence Hall lot (tenants only) and Gravier Garage (Stanislaus Hall dorm tenants only). The next step will be to add your vehicle information and then attach a copy of vehicle registration for verification. Select Delivery Option meaning Parking Services can mail you your parking card and decal so that you can park in any student lot on the first day of Orientation, or you can pick up at Parking Services prior to Orientation. Verify Cart details, select Payment Method (Bursar LSU Student Fees), and click Pay Now.

During the process, you can review parking rules and regulations; however we will also provide you a copy via mail when sending you your parking card and decal. It is important to read the parking regulations, however a summary of important rules is listed on last page.
