Applicant Tracking System

The Applicant Tracking System Module is where you will go to post positions, review and select applicants, and develop the hiring proposal.

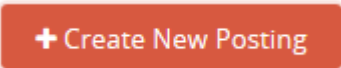

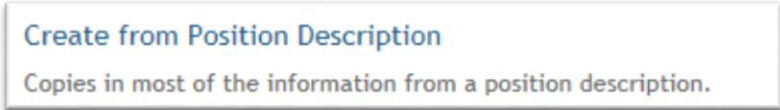

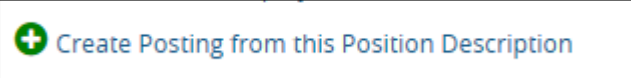

The process for posting positions is somewhat different for Unclassified and Faculty Positions.

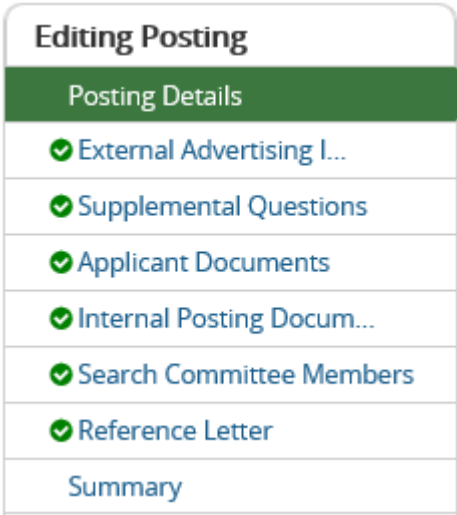

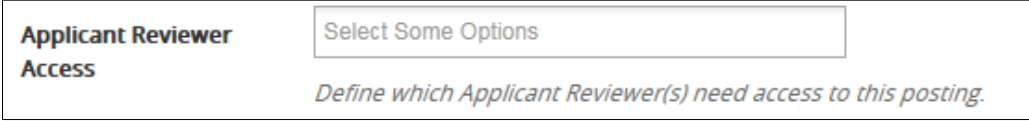

- For **Unclassified** positions, which include **Administrative Faculty**, before a job is posted, it must have gone through the Position Management module in which the position description is finalized and the staffing requisition is approved.
- For **Faculty** positions, which do not have formal position descriptions, the posting process includes the staffing requisition.

To Access the Applicant Tracking System, Click the **Main Menu** button and select the **Applicant Tracking System** option.

Step	Action
1.	Click the Main Menu button to select the module. (three blue dots in upper left) 
2.	Click the Applicant Tracking System button. 
3.	Click the button to the right of the User Group field. User Group: 
4.	Click the Initiator or Department Approver list item to create a posting.

Posting an Unclassified Position

Step	Action
1.	Click the Posting link. 
2.	Click the Unclassified link. 
3.	Click on the Create New Posting link. 
4.	Click the Create from Position Description selection. 
5.	Click the position title of the position you want to post from the list. You may use the Search button to filter by title, incumbent or position number. For Unclassified postings, the position description and staffing requisition process must have gone through the approval process in the Position Management Module.
6.	Review the position description to make sure it is accurate. (At this point, any changes to the position description must be made and approved in the position management module.) To proceed with the position as approved, click on Create Posting from the Position Description button on the top right. 
7.	On the New Posting screen, the organization will pre-populate from the position description. In the Applicant Workflow leave Under Review by Department so the department sees and screens the candidates as soon as applications are completed. 
8.	LSUHSC has not activated the system to generate request for references so leave that part blank. Leave Accept online applications checked.
9.	Under Accepted Application Forms, in most cases you will check “Unclassified Application” which is the full application form. For Administrative Faculty and executive level positions, the “Faculty/Executive Application” which does not request any work history may be used.

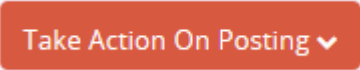

Step	Action
10.	<p>Once completed, Click on the Create New Posting link.</p> 
11.	<p>The system will take you through these steps. You can jump to other steps by clicking on the section from the list.</p>
