## Dental School celebrates homecoming at Alumni Day

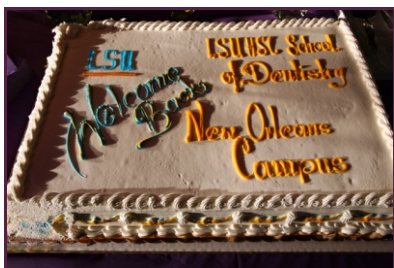

In conjunction with Alumni Day sponsored by The Louisiana Academy of Continuing Dental Education, the Dental School celebrated the return to its New Orleans campus with a "Homecoming Backyard Barbecue" today.

Faculty, staff, students, family and alumni enjoyed the weather,

the food, the music, the company and being back home where they belong.

## Academy inducts founding members

This afternoon, 49 members of our faculty were inducted as the founding members of the LSUHSC Academy for the Advancement of Educational Scholarship. The ceremony was a clear signal that the Academy is back on track as a Health Sciences Center wide community of colleagues committed to excellence and scholarship.

Those inducted were:
