Configuring iOS devices for use on the LSUHSC Wi-Fi connection
(need to have already installed LSUHSC Wi-Fi Configuration patch)

Locate the "Settings"
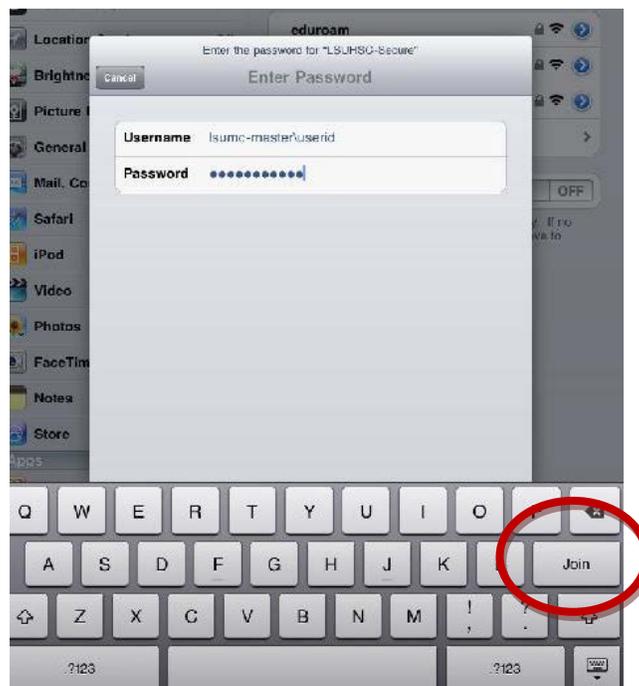

Tap the "Wi-Fi" option and slide it to "On"

Choose "LSUHSC-Secure"

For Username enter: lsumc-master\ followed by your LSUHSC userid and password and then tap "Join"

Accept the Certificate

Once you see the wifi signal, you're connected!

To clear your login, go to Settings-> Wi-Fi->LSUHSC-Secure and then tap "Forget this Network"
