About Camp Tiger

Camp Tiger is a week-long, summer day camp for children who are physically or cognitively disabled. It is run by the freshmen class of the LSUHSC School of Medicine. With the students as counselors, campers spend the entire day going to fun places like the zoo, the aquarium, and the Children's Museum. This opportunity is free for the campers and made possible by the generous support of people like you. We are able to provide this amazing experience every year based on the amount of money we raise, with the Camp Tiger Benefit Auction being our primary fundraiser.

This year is the 27th Anniversary of Camp Tiger, and the Class of 2015 is committed to raising funds in excess of \$85,000 in order to host over 125 campers. In order to reach our goal, we need your support tonight to help this exceptional program grow and to continue the tradition of Camp Tiger.

Special Thanks

Dr. Delcarpio

Dr. Delcarpio is the reason Camp Tiger exists. He founded Camp Tiger twenty-seven years ago in order to provide this unique experience for special needs children. Despite his demanding schedule as Dean of Student Affairs, he continuously devotes countless hours to Camp Tiger to ensure that the parents, campers, and medical school students all have a memorable experience. From the Class of 2015 and on behalf of all students involved with the camp in years past, thank you for your commitment and dedication to this program.

Ms. Lindy Mills and Ms. Bobbie Millet

We cannot thank you enough for all of your assistance and patience. Without your heartfelt support throughout the years, Camp Tiger would not be possible.

T-shirt and Lapel Pin Sales

To commemorate this event, Camp Tiger t-shirts are on sale for \$12. We will also be selling silver and gold lapel pins for \$12 and \$15, respectively. The lapel pin was designed by local artist, India Stewart, with the ideals of Camp Tiger in mind. The tiger paw print combined with the laurel leaves is representative of these extraordinary children, their strength, and their victories overcoming whatever obstacles may try to stand in the way of allowing them to be the fun, amazing children they are.

How Bidding Works

For the silent auction, guests may bid on anything they like as many times as they like starting at the minimum bid indicated on the bidding sheet. Bids should also be made in the increments specified. Always include your full name and phone number legibly next to each bid. When a room of auction items closes down, the bidding sheets will be picked up and recorded on a large board to be displayed by the band. Please check the boards right away and pick up the ticket for your item from a volunteer.

For the live auction, paddles are available for purchase for five dollars. You may view some of the items before the live auction begins. The auctioneer will explain the details of how it will work. If you win, you will be given a ticket by a volunteer for your item.

**Wireless credit card machines will be available in the auction rooms. Cash and Checks will be accepted at the coat check/check out stations. Checks are to be made out to LSU Foundation Camp Tiger.*

**When you win an item and receive your ticket from a volunteer, please pay as soon as possible. Your ticket will then be marked showing that you have paid. If you pay early, you do not have to take your item until you are ready to leave. When you are ready to get your item, please give the paid ticket to a volunteer so that we can record that you both paid for your item and received it. This will help us reduce the amount of time that guests will spend at the end of the night waiting in line to pay and pick up their items. Thank you for your help.*
