The Ag center faculty will receive 3.8% raises which will be paid for by grants. LSUHSC Shreveport does not know how raises will be paid for. LSU-Eunice will provide faculty with a one-time bonus and LSU-Alexandria does not have money for raises. Faculty does not see written criteria for merit raises.

After reviewing the proposed bylaws several items were discussed including who has the right to make an ad hoc committee? The Chancellor, Senate President and any Senator can make a motion for an ad hoc committee and then Senators will vote to approve. Once committee is formed, members of the new committee will either volunteer or be selected by the President. Senator Mussell voiced concern over Presidents selection of committee members. Also discussed was when does the ad hoc committee end and is taken off the agenda. The ad hoc committee will report at every meeting and a Senator will make a motion to dissolve committee. Senator Levitzky made a motion to approve changes to bylaws in principle and get a finalized version at October meeting. The motion was seconded by Senator Rubin. Senator Winsauer will make appropriate changes for October meeting.
- 2. Letter to Board of Supervisors in regards to daily fines
