Welcome: President Kamboj welcomed everyone to the meeting, thanked the School of Dentistry for hosting, providing coffee, water, and king cake.

President Kamboj requested edits to January minutes and edits were approved.

**President's Report:**

There is a new pocket park in the downtown campus at the intersection of Roman and Perdido Streets.

The Student Governing body of the School of Medicine requested that CNN be changed to a health and wellness programming on campus monitors. Changes will be made to programming, and channel is currently set to the Weather Channel.

Senate discussed fiscal matters of LSU HSC specifically relating to salary of administration, faculty, and staff. President Kamboj requested that questions about these issues should be formulated and sent to him by March 7.

**New business:**

A Faculty Health Clinic could be placed on campus and this possibility was discussed with the Senators. There is no interest or need in this clinic at this time.

**Reports from Assemblies:**

- Board of Supervisors-no report
- Allied Health – The Testing Center for the SAHP was discussed.
- Dentistry – no report
- Graduate Studies –no report
- Medicine –Upcoming renovation report on CSRB and MEB. Faculty Development and Learning Specialist will be added to SOM personnel.
- Nursing – Dr. Jessica Landry FNP won Outstanding Advanced Practice Nurse of the Year.
- Public Health –Undergraduate degree is being launched and core curriculum has been approved.
- Library – no report

Adjournment
