Validate Student Information

1. Click the **Student Center** button.

2. **NOTE:** Student Data Validation has been designated as a Service Indicator Hold. A student will be unable to register for classes as long as a Service Indicator Hold is active on his/her account. The Hold will remain in place until the Student Data Validation process has been completed.

   Click the **Details** link.

   Click the **Student Data Validation** link.

   Click the **Return** button.

3. To return to the Student Center, click the button to the right of the **go to...** field.

   Click the **Student Center** list item.
Click the GO! button.

4. A link is provided in the To Do List to access the Student Data Validation information. For demonstration purposes only, the link indicates validation for FALL semester. The link name may vary slightly from one semester to another, depending on whether LSUHSC or the season is used for designation purposes. Click the FALL - New Orleans Student Data Validation link.

5. There will be information and/or instructions for each task. Please make sure to read everything carefully. You will verify you have read the information by clicking the Mark as Read button in the upper right-hand corner.

   NOTE: Once you have clicked the Mark As Read button, you will not be able to make changes to the page.

6. After reading the information, click the Mark As Read button to show that the topic has been verified.

7. A check will appear in front of each topic Task when completed. Click the Next button.

8. Repeat steps 6 and 7 for each Task.
9. *For demonstrational purposes only*, click the **Exit** button.

[Exit]

10. **NOTE:** If you do not click the Mark As Read button, a warning message displays stating the information will not be saved and you will have to redo the section when you next begin.

    Click the **OK** button.
