4. Select the Term you would like to view.

   **NOTE:** If the Select a Term option is not available as shown in the example below, your class schedule automatically displays for the current term. The Select a Term option only displays if you are between terms. If you would like to view courses taken in previous terms, refer to the Course History option.

   Click the **Continue** button.

   **Select Term**

5. Your class schedule displays as a List View. To change to a Weekly View, click the Weekly Calendar option. Click the List View option to return to the List View.
6. The **Class Schedule Filter Options** box allows you to look at your courses in various ways. You can view enrolled classes, dropped classes, waitlisted classes, or any combination thereof. Click the checkbox for each option you wish to view. In this example, all options are checked, so all classes are displayed.
